

WHAT YOU CAN EXPECT FROM INLIGHT RISK MANAGEMENT?

Management

We have saved money and improved coverages for many LiveOn NY members.

Service

We have a reputation for outstanding, personal service. We know your challenges and concerns and can guide you through the maze of insurance programs.

Expertise

Our team works exclusively with Social Service and Healthcare providers. We can help you identify, reduce or avoid exposures.

Customized Solutions

We have long-lasting relationships with many excellent insurance providers. They know the process we go through with our clients and as a result can offer us excellent programs for better prices. We find our clients the best protection for less.
